- Existing Infrastructure
- Underground Encombrances
- Drainage
- Layout Design

CONSTRUCTION

- Submittals
- Material Procurement
- Installation
 - Active & Passive Vehicle Barriers
 - Anti-Ram and Anti-Climb Fencing
 - Architectural Pre-Cast Concrete
 - Ballistic Rated Guard Booths/Gate Houses
 - ID Check Canopies
 - Integrated Controls
 - Glass Hazard Mitigation
- Verification Testing
- Training

SERVICE

- Preventative & Corrective Maintenance Programs
- Modernization & Renovation of Existing Barrier Systems
- Control Panel & Touch Screen Modernization & Upgrades
- Sequence of Operation Enhancements
- Custom Parts Manufacturing
- Roll-Up Door Maintenance, Repair & Replacement
- Custom Welding
- Safety Enhancements
- Warranty & Service

About Concentric Security, LLC

Concentric Security is one of the nation's foremost Perimeter Security Solutions Companies working with federal, state and local government and commercial organizations since 1996. We deliver a full range of services including assessments, engineering and construction. Our organization is certified by every major vehicle barrier manufacturer for sales, installation and service. We hold one of the most comprehensive GSA Federal Supply Schedules dedicated to homeland security solutions.

Our ability to provide our customers a turnkey solution arises out of four core strengths:

- Our Knowledge - Expertise in industry standards, products and technology
- Our Experience - Extensive security experience-federal, commercial, public, private
- Our Capability - Ability to design, integrate, and maintain complete security systems
- Our Commitment - Dedication to customer satisfaction

Why Concentric Security
