About Concentric Security, LLC

Concentric Security is a small business working with the federal government since 1996. As one of the nation's foremost Perimeter Security Solutions Companies, we deliver a full range of services including consulting, assessments, training, maintenance, and construction. We hold one of the most comprehensive GSA Federal Supply Schedules dedicated to homeland security solutions including Vehicle Barriers, Guard Booths, Fencing, Concrete, Product Installation, Construction and Maintenance.

Our ability to provide our customers a turnkey solution arises out of four core strengths:

- o Our Knowledge - Expertise in industry standards, products and technology
- o Our Experience - Extensive security experience-federal, commercial, public, private
- o Our Capability - Ability to design, integrate, and maintain complete security systems
- o Our Commitment - Dedication to customer satisfaction
